January 2010

AG 2 GRAFFITI REMOVER

Low odour formulation for sensitive surfaces.

DESCRIPTION: A specially formulated blend of solvents developed to remove all forms of graffiti from sensitive surfaces and anti graffiti coatings

ADVANTAGES: Will effectively remove aerosol graffiti, permanent marker pen, crayon and lipstick from sensitive surfaces such as signs, polycarbonate glazing and plastics without affecting transparency or damaging the surface. Its 'low odour' formulation will permit interior graffiti removal without a build up of obnoxious fumes.

AG 3 GRAFFITI REMOVER for non-porous surfaces.

DESCRIPTION: A specially formulated blend of solvents developed to remove all forms of graffiti from non-porous surfaces

ADVANTAGES: Will effectively remove aerosol graffiti, permanent marker pen, crayons and lipstick from non-porous surfaces such as gloss paint, tiles and metalwork.

AG2 & AG3

PACK SIZE: Supplied in cases of 10 x 500 ml Trigger Sprays. Can also be supplied in 5 and 25 Litre Drums.

APPLICATION: Turn nozzle of trigger spray to on. Spray affected area and wipe away with a soft cloth. On un-even surfaces or to remove stubborn graffiti use a soft bristled brush to agitate. Neutralise by rinsing with water. A full method statement is detailed overleaf.

STORAGE: Store away from direct sunlight and sources of heat. Protect from frost.

SHELF LIFE: 12 months (in original sealed container).

HEALTH & SAFETY: Refer to health and safety sheets.
